

## FREE HUBLOT WATCH WORTH £11,000 WHEN YOU JOIN THE CLUB

**OFFER ENDS MARCH 20, 2015**

**FREE**  
HUBLOT BIG BANG 44mm  
STEEL CERAMIC WATCH  
WORTH £11,000

Dear Fellow Supercar Enthusiast,

Following on from our hugely popular campaign last year whereby new members of Auto Vivendi received a free Hublot watch when they joined the Club (we gave away over 30 watches), I am thrilled to announce that we have called in every last favour from our friends at Hublot to once again be able to offer you a free watch worth £11,000 when you join the Club.

Here's the offer:

Simply join Auto Vivendi on our special Hublot membership (£15,950 for 1,100 points, plus our standard joining fee of £1,950) before March 20, 2015 and you will receive a Free Hublot Big Bang 44mm Steel Ceramic watch worth £11,000. There are no catches.

We have been explicitly told by Hublot that we will not be able to run this promotion again, so please contact me ASAP if you would like to claim a watch. We only have 18 to give away and when they're gone, they're gone.

For the first time we have also been allowed to offer the watches as part of our Corporate Membership. The price of this special Hublot Corporate membership is £19,500 plus VAT (for 1,100 points with Supercar Driving

Awareness Courses and insurance for up to 5 drivers).

Of course, the whole point of the Club is to provide members with access to a collection of the world's best cars - and what a collection we have...

Our car collection currently includes:

1. Lamborghini Aventador Roadster
2. Lamborghini Huracán
3. Lamborghini Gallardo
4. Ferrari California T
5. Ferrari 458 Spider
6. Ferrari FF
7. Ferrari F430 (manual)
8. McLaren 12C Spider
9. McLaren 12C Coupe
10. Aston Martin Rapide
11. Mercedes SLS Gullwing
12. Jaguar F Type Coupe R
13. Range Rover Autobiography
14. Porsche 997 GT3
15. Audi R8 V8 (manual)
16. Nissan GTR Black Edition

Further details of each of our cars can be viewed [here](#). Of course, as the world's largest and longest established supercar club we are constantly swapping cars and on average we acquire 10 to 15 new cars a year. Last year it was 12. Furthermore, we have fantastic car availability and it has been over three years since all cars were booked out at the same time. We monitor our collection constantly and when we need more cars or there is a new must-have model, we buy them. It's that simple.

We also organise a calendar packed full of events, including exclusive driving tours, trips to motorshows by private jet, VIP F1 weekends and parties and other social occasions to name but a few. Our full events brochure can be viewed and downloaded [here](#).

I would love to welcome you on-board as a member and as our many current members will testify, being a member of Auto Vivendi is not only a very astute financial move, it's also brilliant fun along the way. Our membership base is second-to-none and the social and business networking opportunities alone are fantastic.

With that said, I look forward to hearing from you and hopefully welcoming you into the Club soon.

Many thanks and kindest regards

Richard
